Bowling: 2021 Memorial

Sarah Xuereb and Kenneth Arpa triumph in the Memorial dedicated to Silvio Anastasis, Sammy Borg and Roy Swift.

32 players, 8 women and 24 men, took part in the first tournament organized by the MTBA following the resumption of competition a couple of weeks ago after the almost 3 month stop due to the Covid-19 restrictions.

19 year old Sarah dominated the ladies edition as she was the only bowler to play above 200 average (207) over the 6 game set to end up a comfortable 69 pins ahead of Cynthia Frendo Duca, with Sue Abela a further 21 pins below. Abela also bowled the highest game in the female section with a 246.

The men's section was a 2 horse race between eventual winner Arpa and Rankin Camilleri. Camilleri was ahead of Arpa after 4 games with a blistering 1009 (252 average) but Arpa reeled him in with 2 strong games at the end as Camilleri could not repeat his form in the last 2 games. Arpa ended with a remarkable 235.5 average, just 36 pins ahead of Camilleri. Matthew Magro finished 3rd, bowling just under 220 average. 16 year old Dwayne Zahra, who finished 5th, had the honour of the highest game 289, just 1 pin better than Camilleri's best effort.
