

## Silver Cup Final results.

In the female division Alessia played superbly AS all games except one (the 3rd) WERE over 200, to finish with 1693 points. Raquel won two encounters to finish in the 2nd position with a 1499 total, whereas Michaela also won 2 matches to clinch the last place for the step ladder.

In the male category the 3 to make it for the stepladders were Dylan Santillo who won 2 games and had a draw (1528), Kurt Attard who won 2 matches, while the surprise of the tournament was young Nicholas Muscat who managed to win all his encounters playing well above his 149 average to end in the first position.

### STEP LADDER

Raquel & Michaela started on even footing as there was only a 1 pin handicap difference. However a good game by Michaela and two cruel 6,7,10 splits for Raquel saw the former end up as the winner.

On the other hand, the match Dylan Santillo vs Kurt Attard was decided in the last frame, as Kurt chopped a spare, while Dylan struck out in the 10th to beat his opponent 216 - 203.

### FINALS

Both underdogs Dylan and Michaela won the first game against Nicholas and Alessia respectively. However since the latter were the 1st seeded they had the advantage of forcing a 2nd game. Both did not disappoint as Alessia shot a brilliant 230 game and added to that a 10 pin handicap to finish with a 230 against Michaela's more than decent 201. On the other hand, young Nicholas surpassed his excitement to roll a 173 (190) to beat Dylan's 162 efforts.
